Chapter 1 by Ichigo

ONE:

No one really told me that I was better off dying in a hole. Yes, I may have been a smart alec and it got annoying. But, I had never thought of dying.....especially in a hole, for that matter. Eventually, they told me and eventually, I followed them. I took their advice. To shut up. To be normal. To stop being annoying. To stop being funny and get to work. To be something I am not. I followed them. I did stop. I stopped being myself and I started being NO TIME LEFT.
